TRANSLATION OF THE LETTER FROM MC DONALD'S ROMANIA

LETTER OF RECOMMENDATION

MC DONALD'S ROMANIA SRL has collaborated and collaborates with ALPEX GRUP since more than three years.

The quality of works they have executed and the professionalism of the workers are the main advantage of the commercial offers of the above mentioned company to continue to participate in our works.

I am happy to recommend ALPEX GRUP for the execution of the works as in the field of air treatment systems and to answer any additional questions that may arise.

DINU Dobre
Development Director
